714 PRAYER INITIATIVE

In the last two months, we totalled at least 74 hours of prayer at the church! Come join our army of prayer warriors as we intercede for the full, Apostolic power of God to be released in our area. You can come any time and then add your time our prayer tracker. We won't give up, give in, or give out! Become part of this prayer program and watch your prayers bear fruit.

VOLUNTEER

Want to help the church? We would love to invite a volunteer to help out the financial team by doing some filing in the office. The commitment to this can be very flexible. It could be just one-time for our current project, or it could extend to on-going help as needed and if desired. Speak with Deanna if you are interested.
